

celebrating **150** years

The Story

As one of Australia's oldest companies, Furphy Foundry is proud of its heritage and a strong dedication to producing excellent products has always been paramount. Furphy Foundry's commitment to manufacturing such high-quality products was first summarised in 1910 when company founder, John Furphy inscribed the following words on the cast ends of a Furphy Water Cart:

"GOOD, BETTER, BEST - NEVER LET IT REST - TILL YOUR GOOD IS BETTER - AND YOUR BETTER, BEST."

The Promenade Bench + optional armrests

Benches

Complementary to our Seating and Picnic Settings, our wide range of Benches have been designed to be used in harsh Australian outdoor or high-use indoor conditions. Steel, stainless steel and aluminium framing options are paired with various different timber or composite slatting options to provide one of Australia's largest range of Benches.

The option to customise the colours, materials used and finishing options allows the Furphy Foundry range of Benches to fit into almost any Australian public environment.

Metro Bench

A popular and very effective product which has been created specifically to suit modern urban or park environments. Cast aluminium and hardwood slats - manufactured in Australia.

Promenade Bench

One of our most popular Benches, the Promenade Bench is made from a sturdy cast aluminium frame and hardwood timber slats - resulting in a truly low-maintenance and durable product.

Woodgrove Bench

One of our most versatile pieces of furniture in terms of design, the Woodgrove Bench is a simple yet classy product that has proven to withstand the rigours of public use in a variety of environments.

Throughout the past 150 years, we've developed a strong commitment to producing quality products. The core culture of our modern business revolves around this commitment, and we look forward to carrying on our proud history for many years to come.

All of our products are manufactured under an ISO9001 Quality Management System.

Steel Slatted Bench

A basic design, finished immaculately - the Steel Slatted Bench is ideal for all environments. Available uncoated or powder coated in a wide variety of colours and finishing options.

Fulcrum Bench

Designed and manufactured here in Australia from cast aluminium and hardwood slats, the Fulcrum Bench is a versatile and stylish addition to any public space.
