

celebrating **150** years

The Story

As one of Australia's oldest companies, Furphy Foundry is proud of its heritage and a strong dedication to producing excellent products has always been paramount. Furphy Foundry's commitment to manufacturing such high-quality products was first summarised in 1910 when company founder, John Furphy inscribed the following words on the cast ends of a Furphy Water Cart:

"GOOD, BETTER, BEST - NEVER LET IT REST - TILL YOUR GOOD IS BETTER - AND YOUR BETTER, BEST."

Available in a range of configurations and colours, our range has been tried and tested in real Australian environments. The designs we offer today reflect years of real use and feedback - resulting in a highly effective, long-lasting product.

PSN Bus Shelter

Designed specifically to provide shelter to those waiting on buses and public transport, our popular PSN Bus Shelter is manufactured under strict quality guidelines.

Player & Coaches Shelter

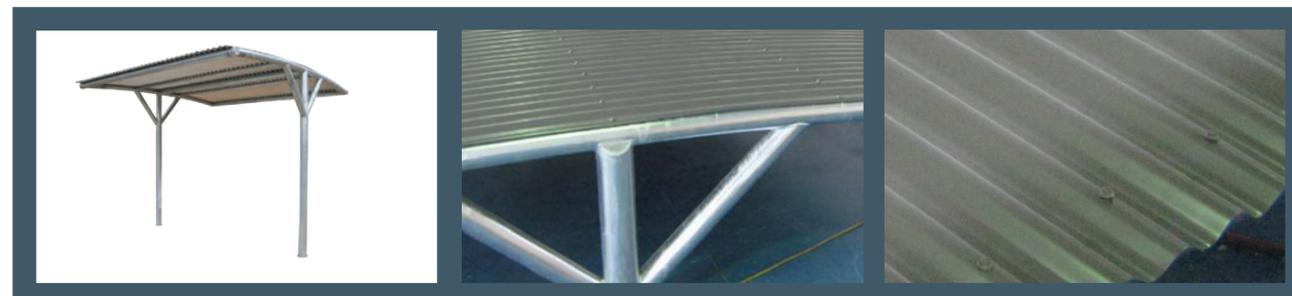

Created to provide shelter to recreational and professional sporting teams, our versatile Player & Coaches Shelter can be modified extensively to suit an array of environments.

Razor Shelter

A pre-made, sturdy structure that provides shade and shelter for the public in an array of environments. Built to withstand the elements, the Razor Shelter is both stylish and effective.

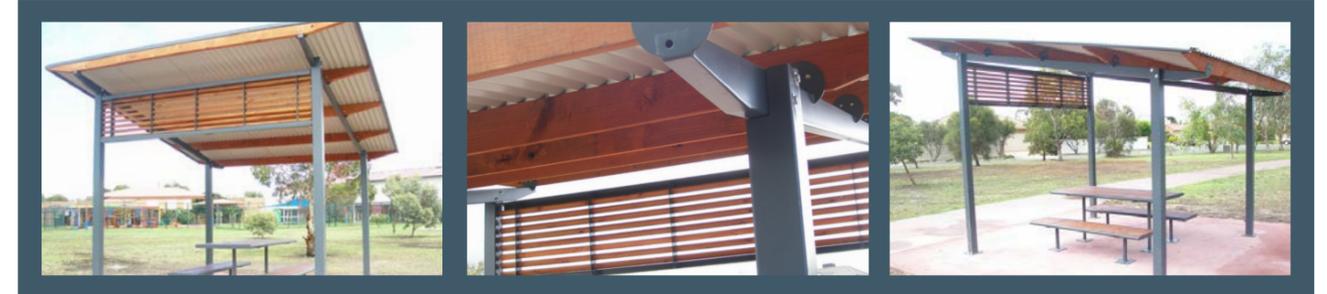

Throughout the past 150 years, we've developed a strong commitment to producing quality products. The core culture of our modern business revolves around this commitment, and we look forward to carrying on our proud history for many years to come.

All of our products are manufactured under an ISO9001 Quality Management System.

Provincial Shelter

Shaped in a classic skillion design and manufactured by the expert team at Furphy Foundry, our Provincial Park Shelter is a brilliant addition to any open space.

Regional Park Shelter

Utilising a practical and stylish skillion roof design, the Regional park Shelter combines two shade structures to form one unique product.
